COMMITTED TO CWMBWRLA

Your Labour Candidates in the forthcoming May local elections are all long standing Labour members with a commitment to Labour values and the values of community. Margaret, Malcolm and Ian are all experienced in promoting community regeneration and supporting individual initiatives.

We support increased access and enjoyment in our community parks, more youth engagement facilities and promoting local links to the exciting City renewal initiatives in Swansea Bay.

IF YOU VALUE IT, VOTE FOR IT. CARU FE, CADWCH E.

Over the last 5 years Swansea has seen dramatic changes with new homes, new schools, new play areas and a new city centre all delivered by Swansea Labour.

Despite the challenges of the pandemic Swansea Labour has delivered everything we promised you in 2017, and much more. We are now once again a city and county that is confident and growing, after years of decay by the ruinous Lib Dems and Independents administration.

We ask for your support to continue the improvements, continue the delivery, and continue the creation of a better, stronger, cleaner, greener Swansea. Please give Swansea Labour your support on May 5th.

Cllr Rob Stewart - Leader Swansea Labour

Welsh Labour  Llafur Cymru

SUPPORT FROM THE SENEDD

"I know the difference having such a team of experienced, dedicated and respected Labour councillors on your side makes. Welsh Labour works for Swansea - it works for you."

Mark Drakeford - Welsh Labour Leader

OUR PLEDGES TO YOU EIN HADDEWIDION I CHI

-  **Growing in the Community:** The development of community allotments and planting fruit trees for the use of the residents and community
-  **Investing in our area:** Engaging with young people and providing opportunities such as Blue light disco's and community projects
-  **Cleaning up our community:** Review the placement of current waste bins across the ward and target hot spot areas for further waste management
-  **A Green community to be proud of:** Improving neglected areas with flower and Herb planting. Implementation of renewable energy sources to support the community
-  **Standing up for Cwmbwrla:** We will work as a team for residents and families and be accessible to discuss problems and new ideas for community benefit
