WORKING HARD FOR PONTARDDULAIS

We are already well known within our community for our ongoing voluntary work. We spearheaded the Emergency Community response to Covid-19 and supported the Pontarddulais Area Food Bank. We promise to make Pontarddulais a safe, clean and green community where it is fun to live and work. We are improving facilities for all children and young people and will continue to promote our town centre encouraging employers to provide local employment for local people. With your support on the 5th of May, we will continue to work hard for everyone in Pontarddulais

IF YOU VALUE IT, VOTE FOR IT. CARU FE, CADWCH E.

Over the last 5 years Swansea has seen dramatic changes with new homes, new schools, new play areas and a new city centre all delivered by Swansea Labour.

Despite the challenges of the pandemic, Swansea Labour has delivered everything we promised you in 2017, and much more. We are now once again a city and county that is confident and growing, after years of decay by the ruinous Lib Dems and Independents administration.

We ask for your support to continue the improvements, continue the delivery, and continue the creation of a better, stronger, cleaner, greener Swansea. Please give Swansea Labour your support on May 5th.
